**President's Message: by Karen O'Hayer**  
Hello Gardeners,

If you grow produce during the summer and find yourself with an overabundance, please consider donating to our local food pantry. Libertyville Township's food pantry is open Tuesdays from 10:00 am to 3:00 pm at the Libertyville Township office. Like all food pantries, they accept non-perishable food items. But, they also really appreciate fresh produce. Donations can be dropped off any time that the Township office is open. The best time

to drop off produce is on Monday, so it will be at its freshest when the pantry is open on Tuesday. The link below provides additional information about the food pantry. Please consider sharing with those in

our community who are in need and donate your excess produce to the Libertyville [Township food pantry](#) this summer!

I'd like to thank Andy Kimmel for running the June Board meeting and Andy Plaszc for running the June member meeting in my absence. The mini-show was held at the June 11 meeting. Thanks to the members who shared gardening expertise during the judging and to those who provided refreshments for the meeting. Congratulations to all the winners!

Our annual garden walk took place on Saturday, June 23. After a week of almost constant rain, the weather took a turn for the better, and we had a picture perfect day for

the walk. We had a good turnout, and all the gardens looked fantastic. Many thanks to Arlene Doran, Delores O'Connell, and Debbi Hoover who located the beautiful gardens featured this year. Thanks to our members who

volunteered to staff the gardens on the day of the event, to Arlene Doran for coordinating the walk, to Cindy Julian for handling publicity, to Susan Plasz for writing the garden

descriptions, to Subhash Deodhar for creating a fantastic map and directions, and to Delores O'Connell who organized the pre-walk, which allows the hosts to see all the gardens on the day before the walk. Thanks to our members who donated plants to the mini-sale and a shout-out to Delores for peddling a lot of milkweed. The Monarchs say thank-you! Great job everyone!

I look forward to seeing you at the club picnic on Friday, July 20, at Old School Forest Preserve, shelter D,

beginning at 5:00 pm. The Gardeners of Central Lake County know how to throw a mean potluck, so don't miss this evening of great food and camaraderie.

I look forward to seeing you at our next club meeting on Monday, September 10, where our own Rekha Deodhar will present a program entitled "Seeds that are Good for your Health". The meeting will also include our veggie tasting, so please bring a sweet or savory veggie dish to share. Please note: there are no meetings in July or August. Happy gardening!

### **Photo Contest**

**-Jerry Cleland**

Next year the photo contest theme is "Art and

Architecture," so we hope our members will continue to photograph plant- and garden-related subjects while also uniquely incorporating subjects from the annual theme into

their photos. As always, there is no requirement that photos entered into the contest must contain thematic objects. Members who have entered the contest in the past report that having a theme makes the process more interesting both in terms of finding subjects for their own photographs and also in viewing how other members interpreted the theme. Member participation was good

again this year, and we hope that will continue forward in the upcoming years.

We especially encourage members who have not participated in the past to consider submitting their own garden-related photos to our contest that will be held in January 2019. As seen in previous contests, entering a winning photo does not require an expensive camera. Many of the winning photos for the past several years have been taken with cell phone cameras. While it may take a couple of tries for a newcomer to be selected as one of the top 20 photos, our goal in beginning this contest over 10 years ago was to make ourselves better garden photographers. As you witnessed in the photos displayed for this year's contest, we improve our skills each year.

### Mini Flower Show, June 11

Our annual mini-show was held at our meeting on June 11. We had many beautiful entries.

Congratulations to Andy Plasz for having the Best of Show and for having the most points in this year's Mini show. Thank you to all who entered and who attended the show.

Results of the mini show are given below.
